Prompt:

Dirk Gently and Eleven write to each other about Dirk's time with Blackwing and Eleven's time at Hawkins Lab.

Hi!

I'm Dirk Gently. I'm a private detective from England. Well, actually, I'm a holistic detective.

I currently live in Seattle with my friends Todd, Farah, and Lydia. Just... please don't tell the CIA where I am. I know they're likely tailing me again, but... I can't go back there.

If anyone wants to write as Eleven, let me know in the comments.
